Business Summary

Joseph Harrel Presents : Are you a teacher? Profitable English Language School offering a great lifestyle compared to teaching in Public or Private Schools that offer general education. A well healed, motivated clientele with most business being developed by reputation. Proprietary curriculum and small classes offer the teacher/owner to build an excellent rapport with students. Demand currently exceeds capacity, so growth potential is there for those who desire it. So if you love to teach and are fed up with the politics of large schools this opportunity is for you.
